Idea

Is all about a boy who lives his dream not knowing where his dream would lead him.

final story

In a village, due to drought a farmer's family leaves for city in search for livelihood. His family had a wife and a 9 years old son (Monu). They now live on the pavements and work as labourers. However, monu remains hungry most of the times in the day. At times he asks for sweets to his father but his father is not able to fulfil his child's desire always.

Also that boy hates the food his mother feeds him. Everyday he gets to eat the same bajre ki roti by his mother that also only twice or once a day.

After few days, Monu wandering goes to another home nearby where he sees a lady(amma) . The lady notices the boy standing outside and she calls him and give him some variety of food, fruits and sweets. The boy becomes happy. The lady ensures Monu that whenever he comes, he will get to eat sweets and food. Monu is happy and now whenever he is hungry he goes to amma.

On the other hand Monu's parents notices that Monu never eats food at home. They become worried. Monu gets food from amma now. One day Monu doesn't return back home. His parents search him, they couldn't find Monu . They realize they have lost their son. Their son doesn't return back. Mother.

Disappointed they go back to their village cursing the city that the city has snatched their son away from them. Years passes by, they give birth to another child whom they give the name of their lost son's- Monu

Fifteen years later-

Monu seems carrying out some business. He is happy with amma and seems well settled now. One day Monu asks amma to give her car for some time to him as he wants to go somewhere. He takes the car and goes to post office, where he requests the postman to write a letter for him. The letter was to his real.

माँ जी

आपको जानकर ख़ुशी होगी की आपका मोनु आज भी जिन्दा है। माफ़ी चाहता हूँ कि इतने सालों तक मैंने आपको संपर्क करने की कोशिश भी न की, क्योंकि मै खुद जिंदगी को बनाने में लगा हुआ था। सोचा पहले कुछ बन जाऊ , फिर आपसे संपर्क करने की कोशिश करूंगा।

याद है जब मै छोटा था और आपसे दूर चला गया था तब मेरी अम्मा गौरी ने मुझे बड़े लाड प्यार से पाला, उन्होंने मुझे सिर्फ उन दिनों के आकाल से बचाया ही नही बल्कि बहुत अच्छा खाना खाने को दिया और मेरी देखभाल भी की । कुछ दिनों बाद ही अम्मा मुझे अपने साथ धंधे पर ले जाने लगी । मुझे अभी भी याद है अम्मा मुझे कहती थी कि तू बहुत मासूम है और तेरी वजह से धंदा भी दोगुना हो जाता है ।

एक शाम अम्मा अपने किसी दोस्त के साथ घर आई, जहाँ हम रहा करते थे । उस रात हम तीनों ने बड़े से रेस्टोरेंट में खाना खाया । इतना बड़ा रेस्टोरेंट था माँ की तूने तो कभी देखा भी न होगा, जब खाने के बाद में जगा तो खुद को एक अस्पताल में पाया । मैंने देखा की मेरा एक पैर नही था, तब मै समझा की मेरे खाने में कुछ मिलाया गया था, जिससे मै इतनी देर तक सोता रहा । मेरी अम्मा मेरा खयाल रखने के लिए मेरे बाजु में ही बैठी थी । मेरे दर्द को समझ रही थी । उसने मुझे समझाया की लोग पैसें किसे देंगे ? एक अंधे भिखारी जो हर जगह मिल जाते हैं यार फिर एक प्यारे से अपंग को । मै समझ गया- अम्मा बहुत कुछ जानती थी । उनके दोस्त दया भाई भिखारियों का सारा कारोबार सँभालते हैं । दया भाई ने सिर्फ मेरे भीख मांगने के लिए बहुत बड़े से पैदल रस्ते का इन्तेजाम किया, जहाँ मुझे बस चार पहियों की गाड़ी पे बैठके खुद को धकेलना पड़ता । जब लोग मेरे पास से गुजरते तो कटोरे को जमीन पर पीट ता जिससे सिक्कों की खनखनाहट मुझे ख़ुशी देती । मैंने लोगो के दयावान व्यवहार का अच्छा लाभ उठाया । दया भाई के लिए मुनाफा कमाते हुए मुझे आज दस साल हो गये हैं । दया बहुत दयावान इंसान हैं और मेरे लिए भगवान ।

आपको जानकर ख़ुशी होगी कि मेरी कमाई का कुछ हिस्सा मुझे बिना किसी दिक्कत के मिल जाता हैं । इतने सालों में मैंने बहुत सारा पैसा जोड़ लिया है ।अब मेरा खुद का घर है, जिसके दीवारें ईटों की और टीन की छत है । आप यहाँ होती तो मेरे घर को देख पाती । गौरी अम्मा जानती हैं कि मैंने कभी उनको निरास नही किया ।

fआप अपना और पापा का खयाल रखना , मै यहाँ मजे में हूँ ।

आपका लाडला

what I wish to communicate

The people of our society don't want to accept reality. People has something in their mind and they think this is right because they has spent most of the time of life being in that thought. So they refuse to accept the other ways of life and they become blind to it.

This is because of less education, their mind is not flexible to think beyond their own made limits They are only seeing, what they want to see. They are unable to see the other ways and even if they come across these, they are not ready to accept.

thank you
