UIDAI has implemented a revised test structure for their Common Operator - Supervisor certification exam with effect from 7th Jan '15.

- Candidate will not be required to select a role (Operator or Supervisor) at the time of registration for the test . The screen will show default role as 'UIDAI certification for Operator - Supervisor'
- The role of Master Trainer and Tech Support have been withdrawn & no tests for these roles will be held.
- The duration of Test will be 1 hour 45 minutes.
- The Question Paper will consist of Text based multiple choice questions only.
- The exam will be composed of 3 modules ie Basic Knowledge of UIDAI and Aadhaar, Demographic Data entry & Biometric Data Capture.
- Based on the aggregate marks scored in the test, candidates will be certified either as Supervisor or Enrolment Operator.
- The candidate securing equal to or more than 50 % marks of the max marks shall be given the certificate of Supervisor.
- The candidate securing 40 % or more but less than 50% shall pass the test as Operator and will get operator's certificate.
- The candidate securing less than 40 % shall be declared fail and therefore no certificate in such cases shall be generated.
