

Class XII

Exercise Sheet 1

Consider the following collection of 8 images. Using your understanding of abstraction and realism, label them as Abstract or Realist.

1.

2.

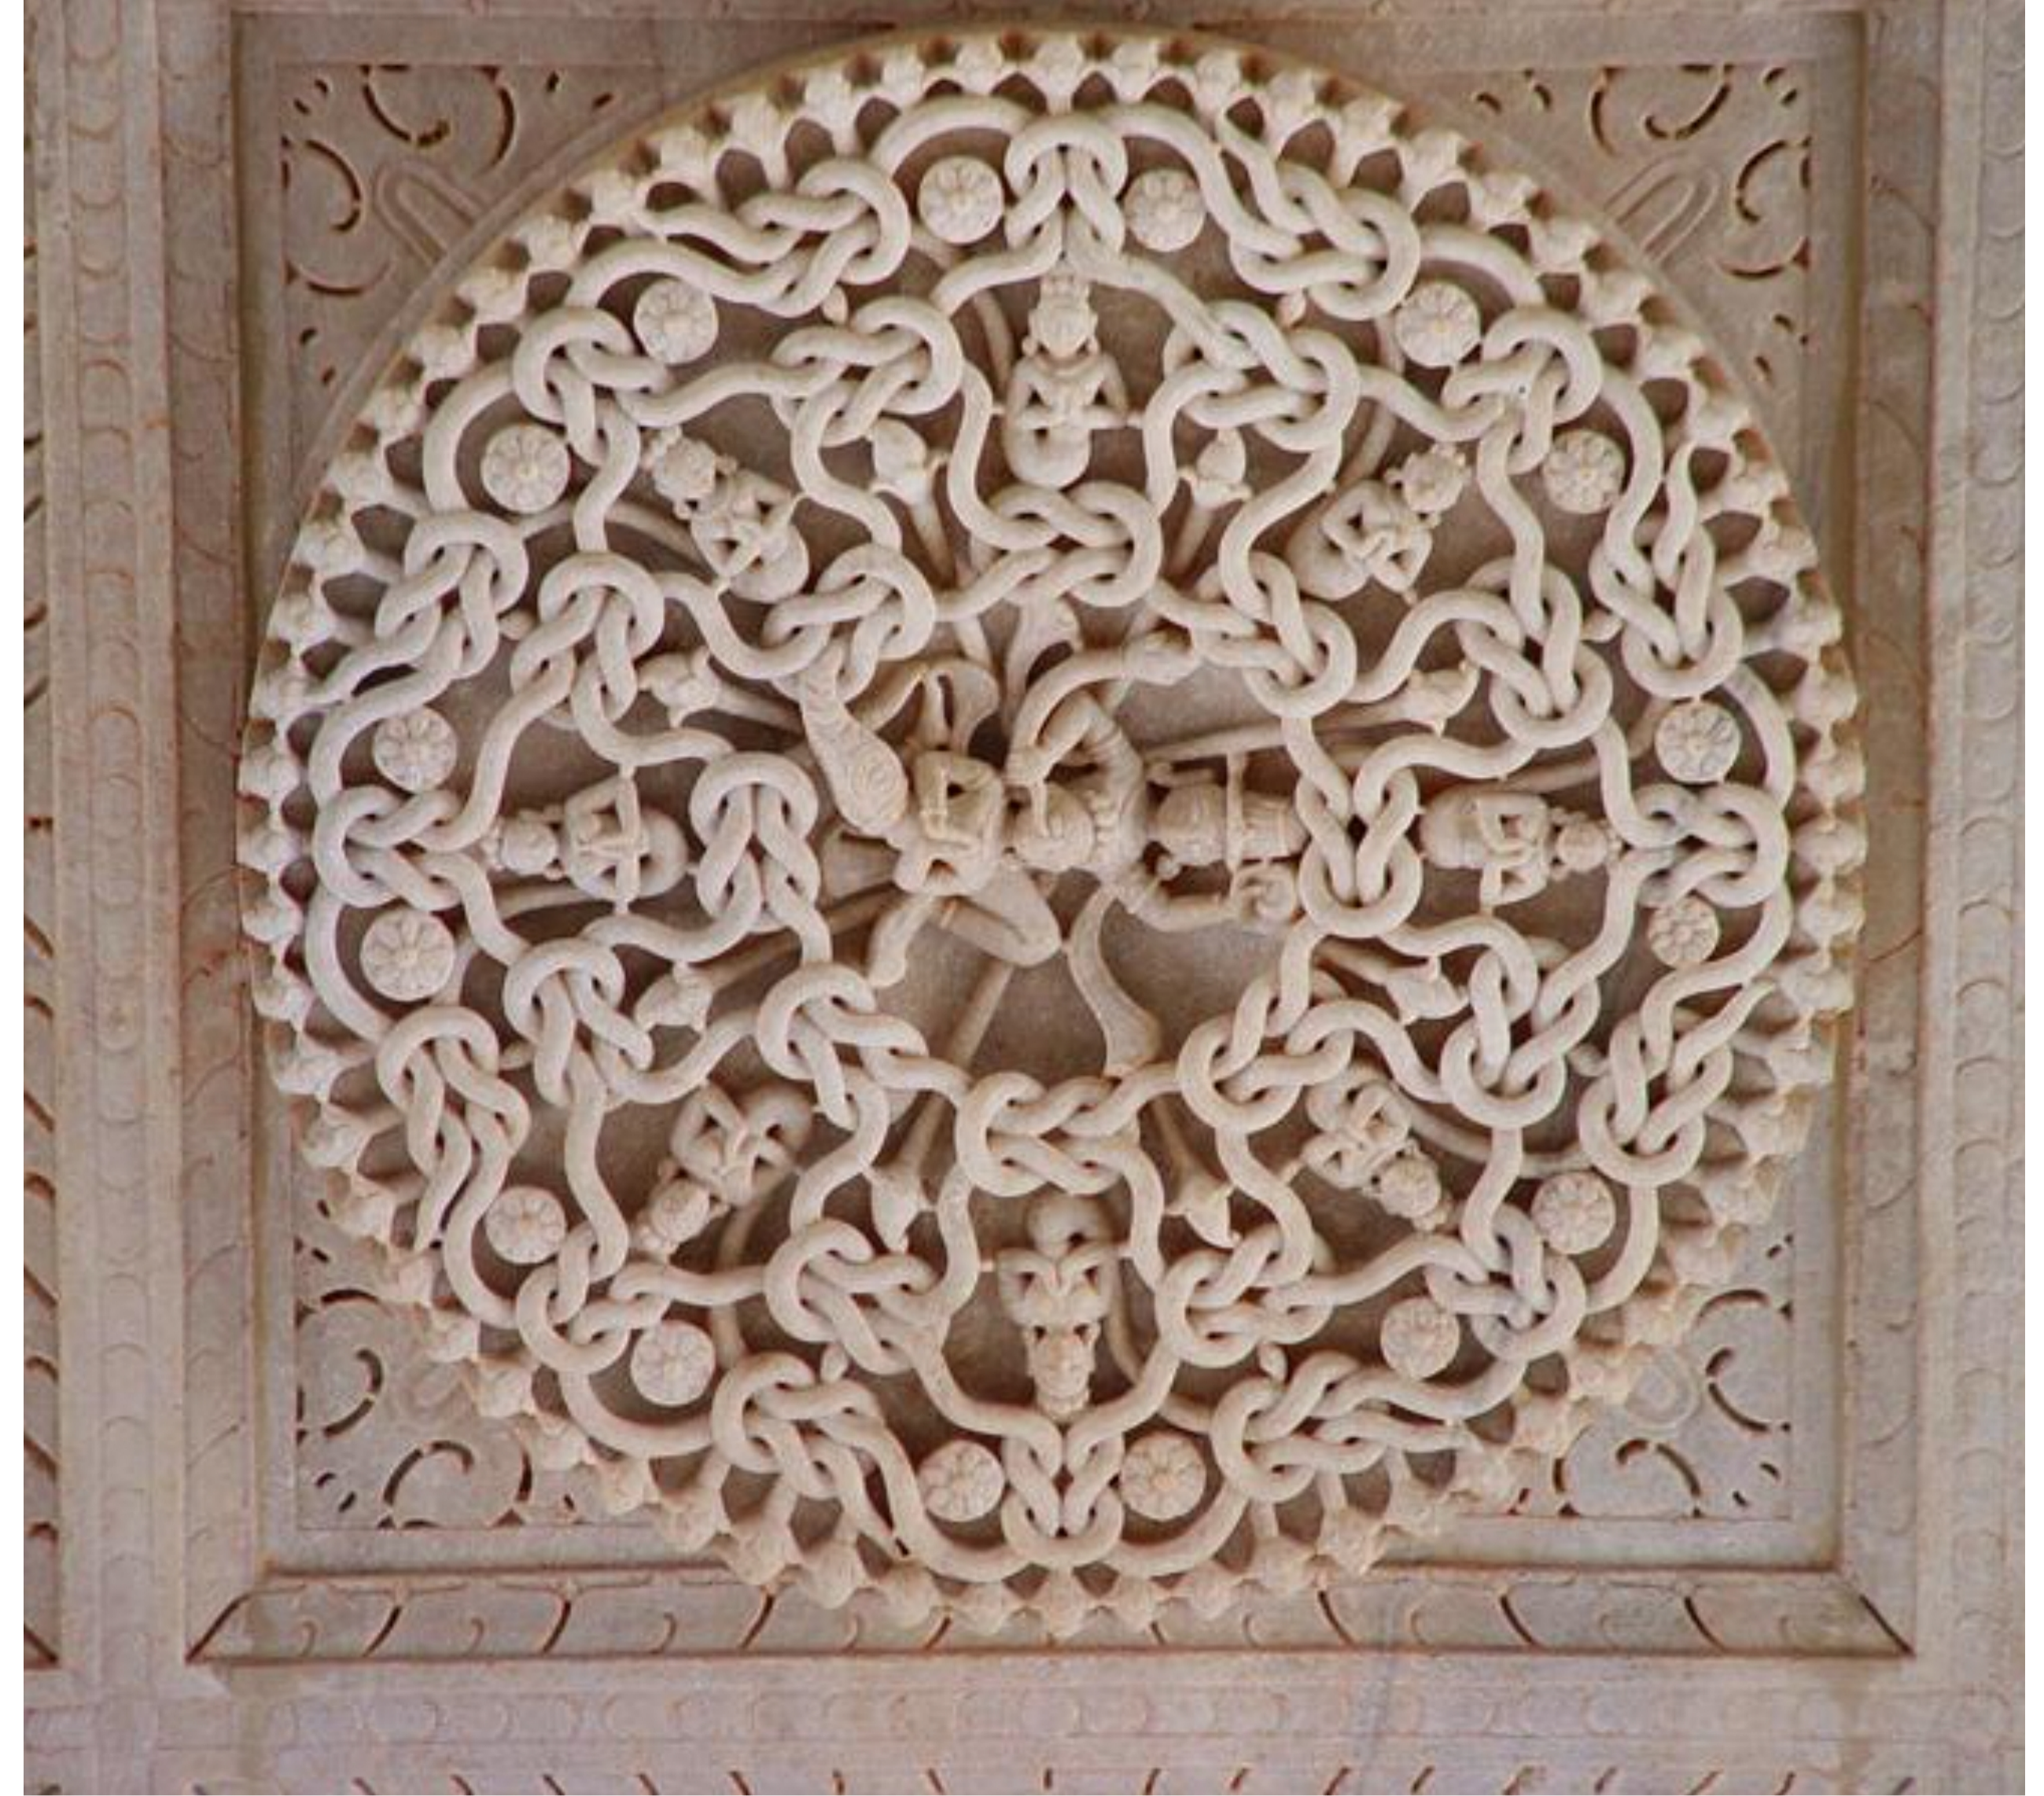

3.

4.

5.

6.

7.

8.

If the image is abstract, what is it representing? Write a 20-30 word description in the space given below. Use the number of the image to label the description.

Try not to just describe what you visually see, instead try to articulate the core ideas the abstract representation is trying to portray. Don't be afraid of being incorrect.

Image Number	Description and Meaning
