

Class XII

Exercise Sheet 6

Take any temple/mosque/church floor plan and paste its print out in the space on the next page. On the print out:

- 1. Identify and draw the major and minor grids**
- 2. Identify and label any mappings if applicable**
- 3. Mark the cardinal directions.**
- 4. Label different parts of the plan (for example, in a temple, label the entrance, grabhagriha, and so on)**
