

Class XII

Exercise Sheet 8

**Write the building name and a brief description**

---

---

---

**What is the significance of the building?**

---

---

---

---

---

---

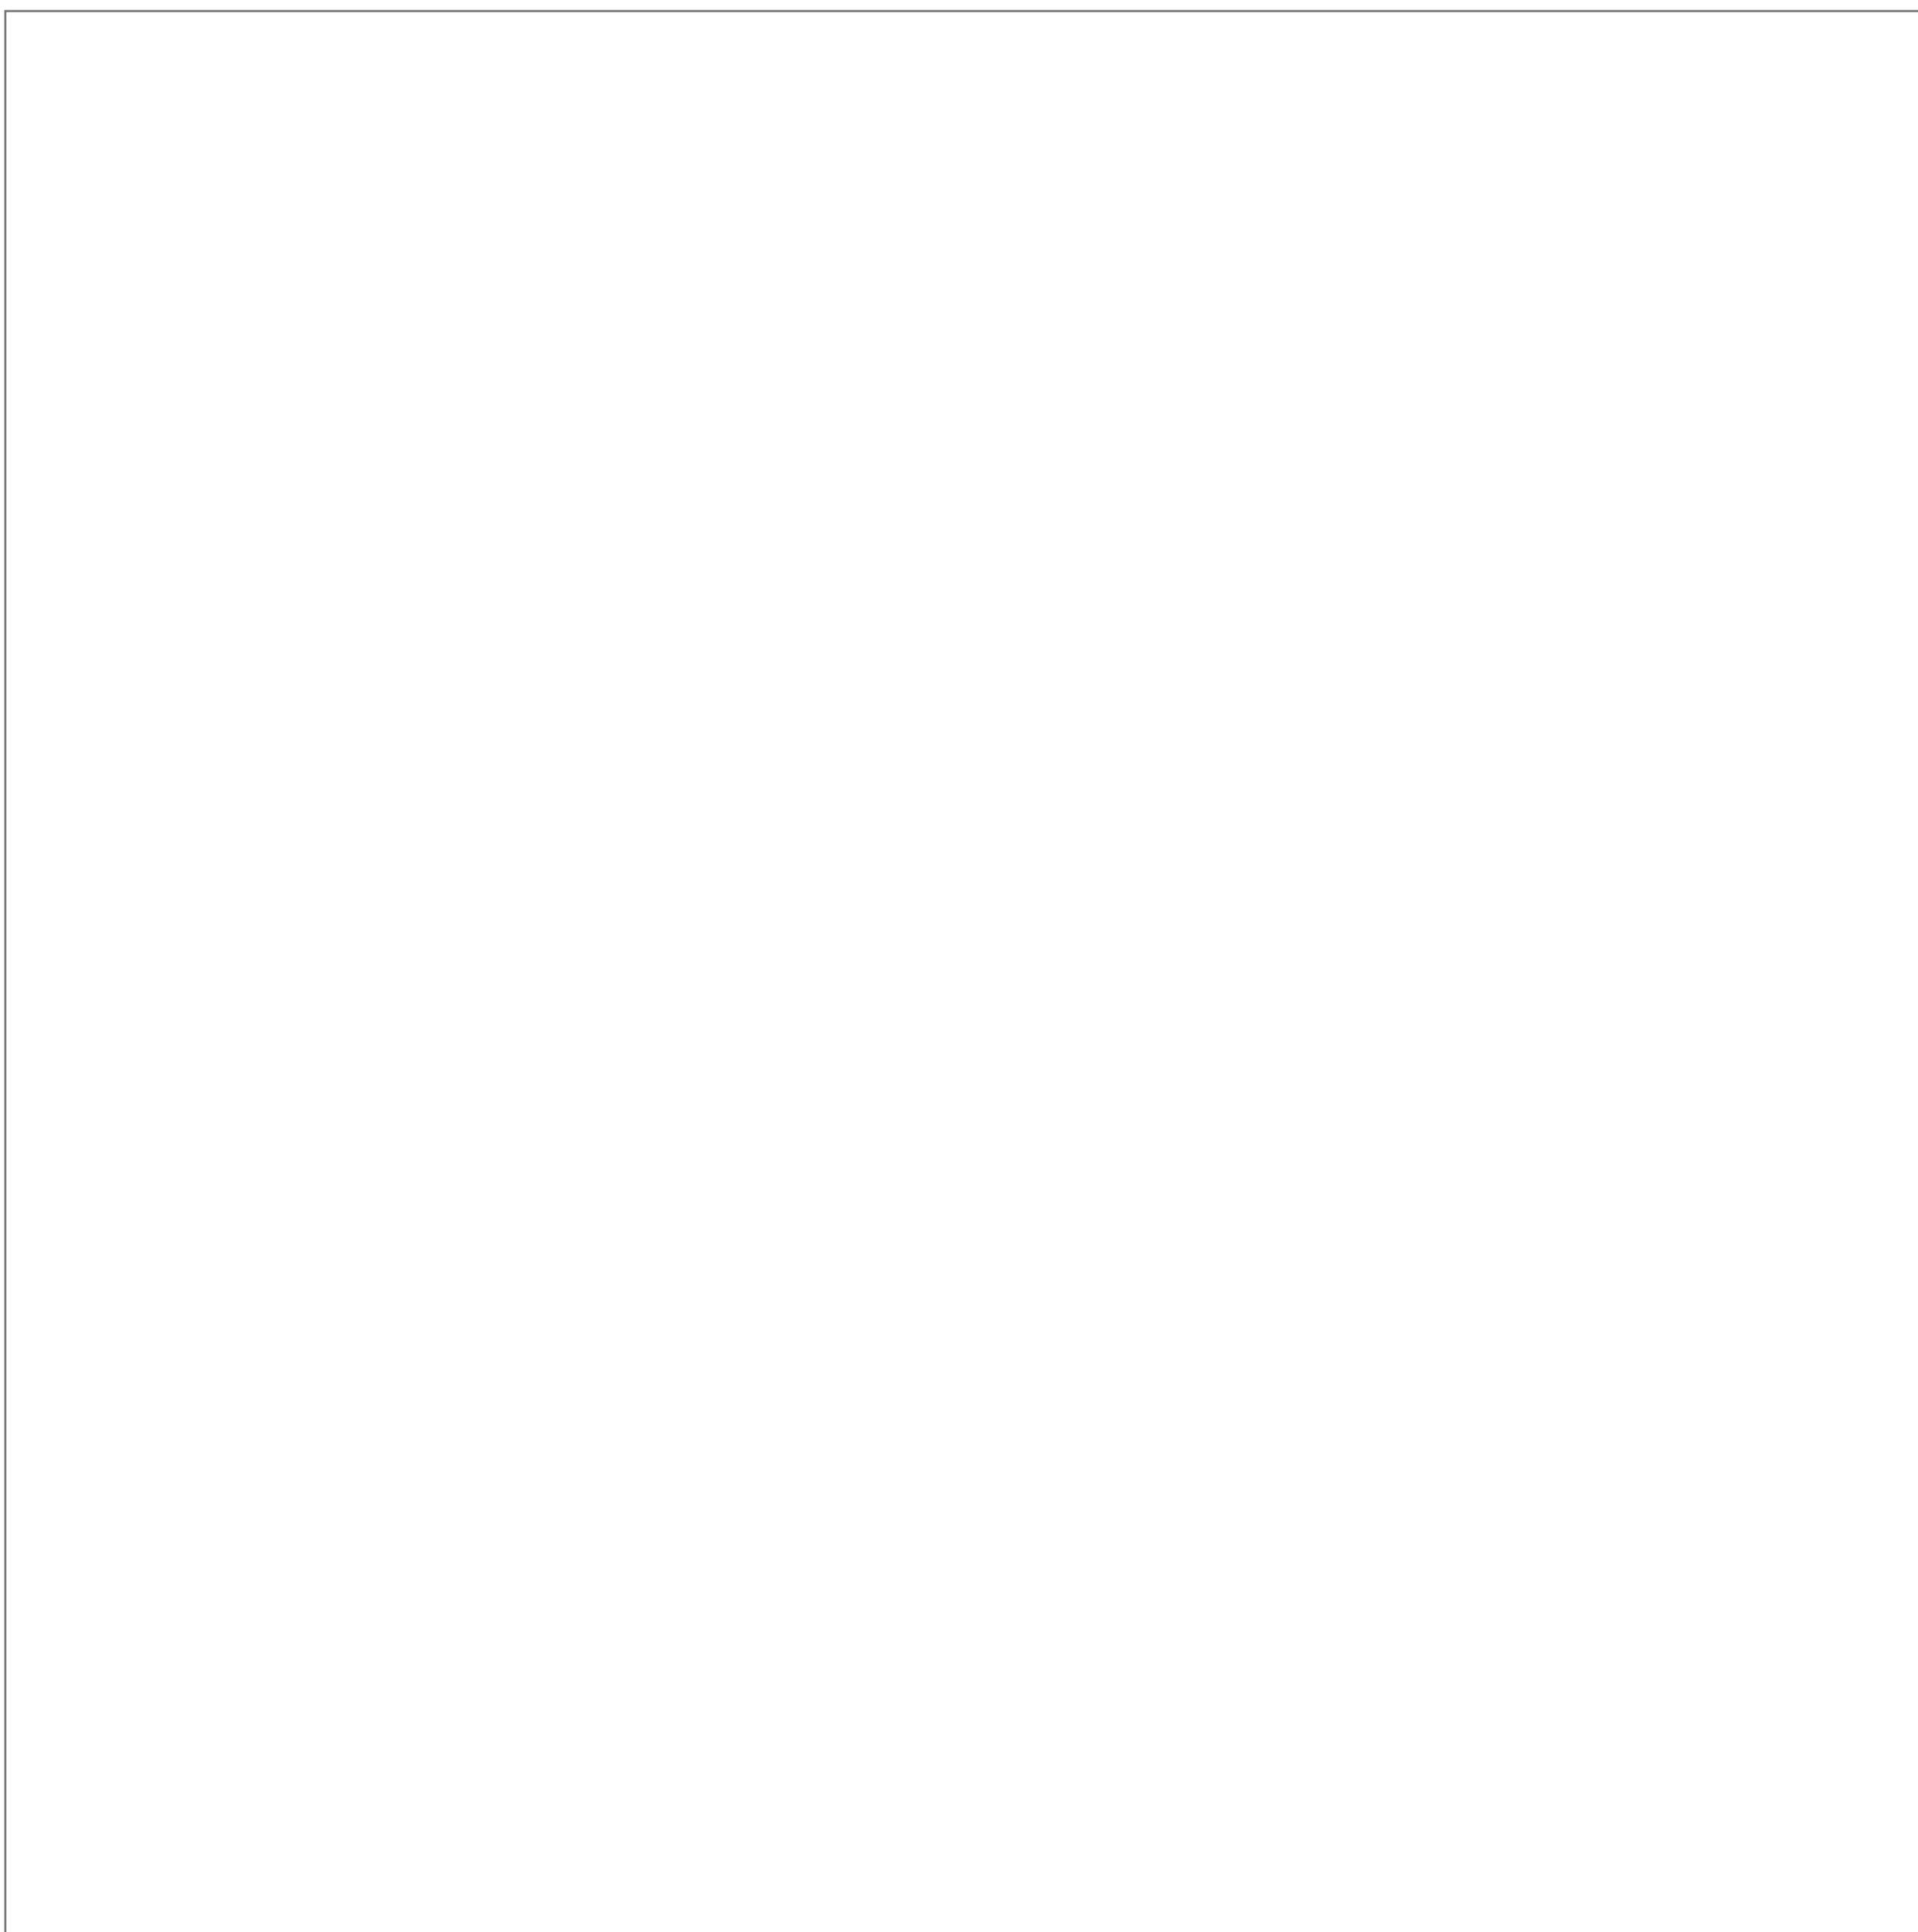

---

**Come up with your own creative story of the building's origin. You can include supporting sketches and/or pictures.**

**Try to assign meanings to any 4 elements of the building by comparing them to elements of the story, how they might have been abstracted and represented. Include a picture/sketch of the element along with the meaning given to it.**

**Picture/Sketch of element**

**Meaning of element**

---

---

---

---

---

---

---

---

---

---

---

---

---

**Picture/Sketch of element**

**Meaning of element**

---

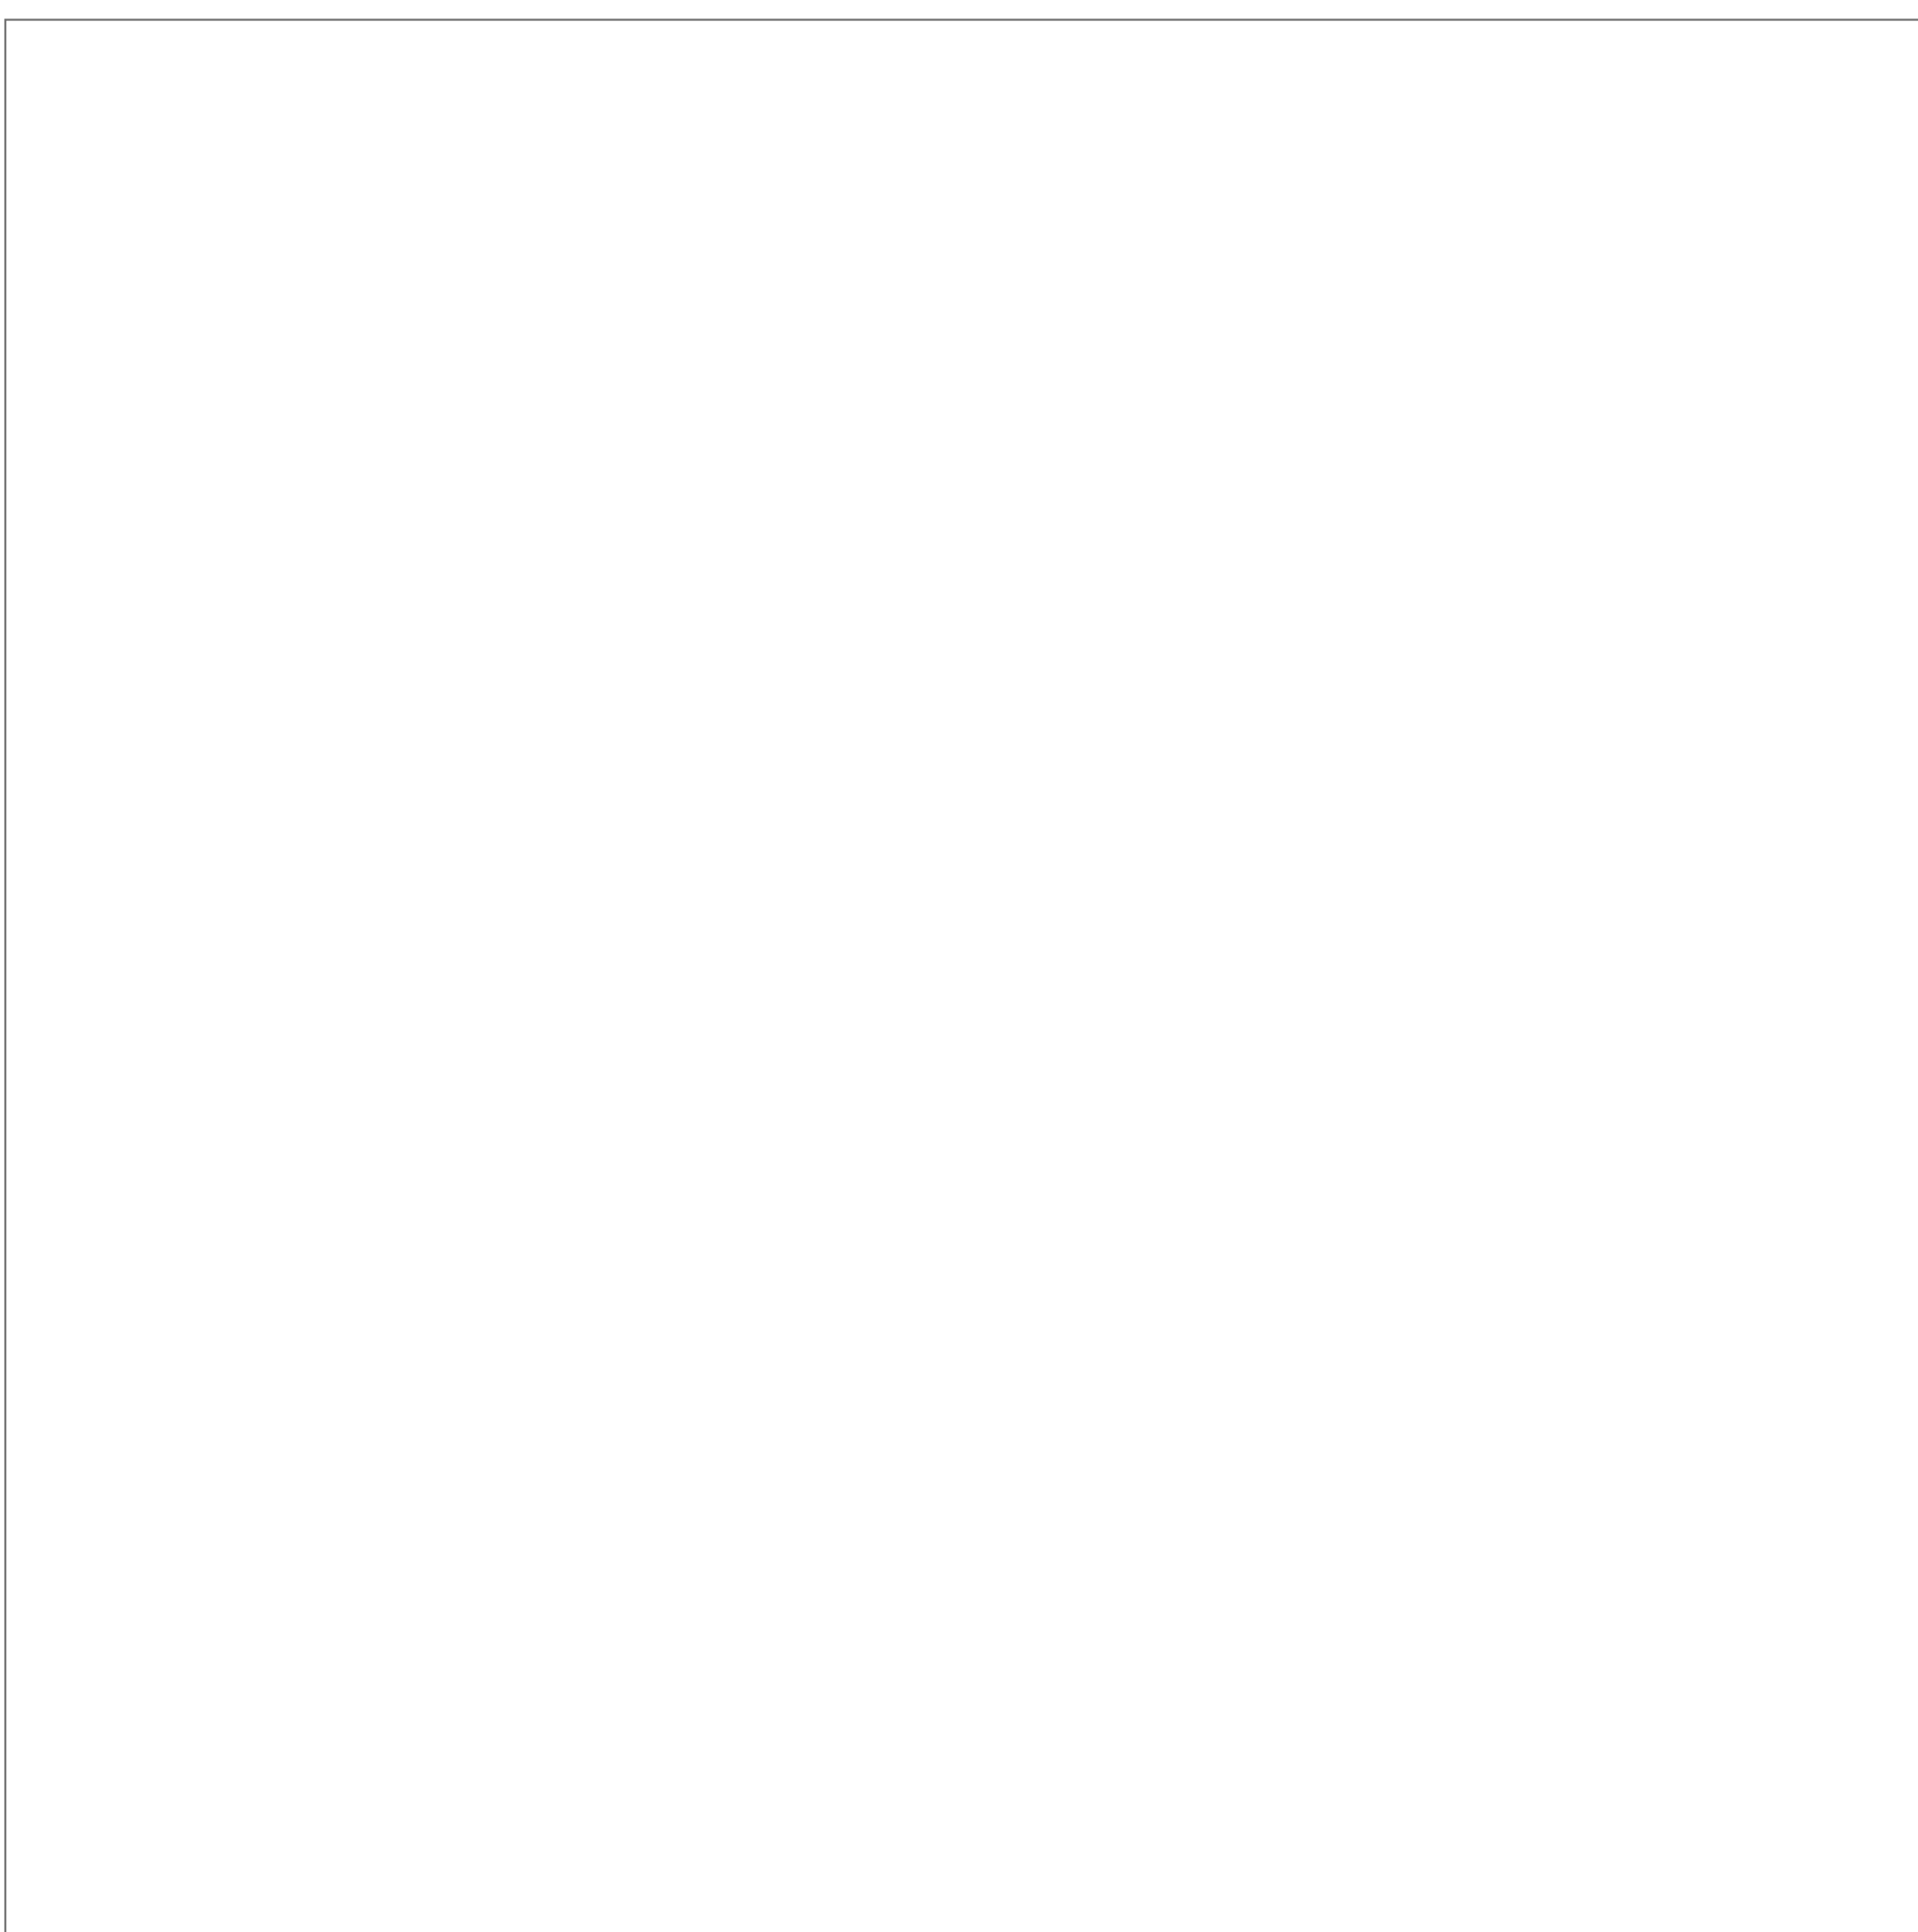

---

---

---

---

---

---

---

---

---

---

---

---

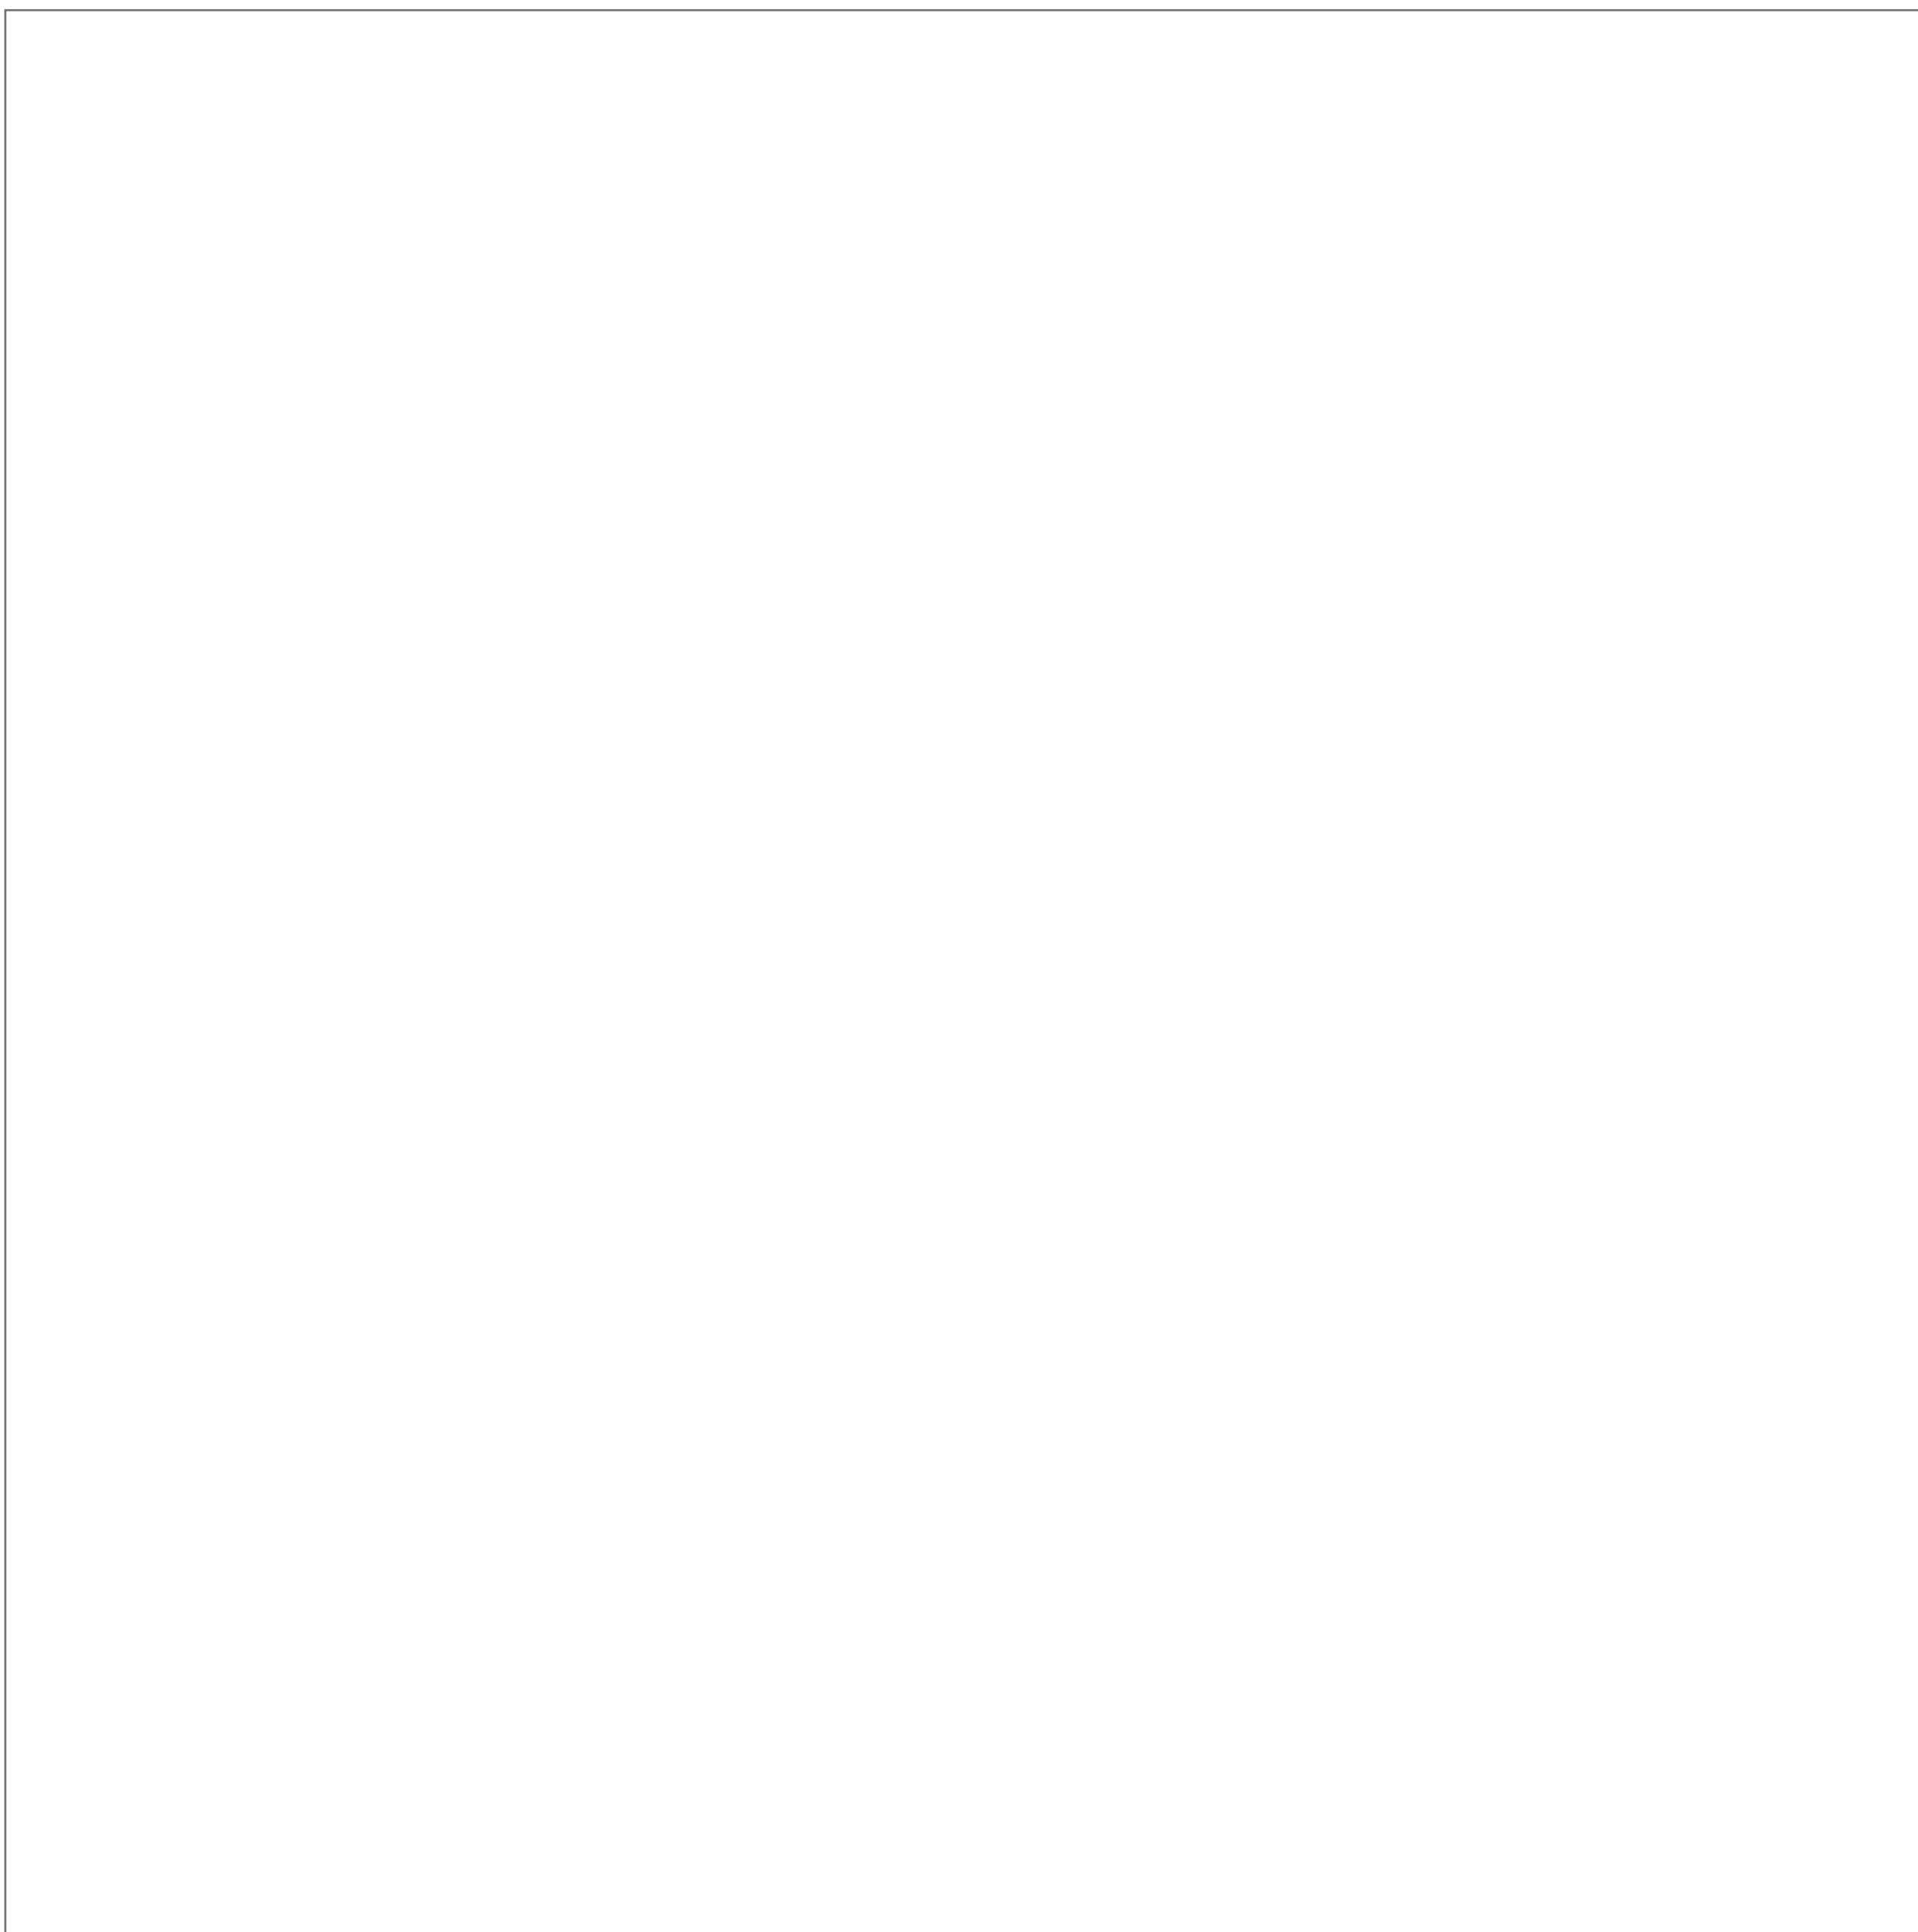

---

---

---

---

---

---

---

**Sketch a rough plan of the building. Try to identify and sketch the grids used in the building. Label various locations of the building, along with any mappings if applicable.**

**Identify any 4 interesting details in the building. Sketch/paste pictures of those details in the space provided, and write a short description for each. Can paste multiple pictures in a single box.**
